Service Unit or Volunteer-Led Day Camp Financial Assistance Application

Participants who would like to request financial assistance to help pay for the cost of a council approved service unit or volunteer-led day camp should complete this form. **This form does not register the applicant for camp.** This form must be completed by the parent/guardian of the girl seeking assistance or the adult seeking assistance for themselves. Please use one form per applicant. Print clearly and fill out with either blue or black ink. If you have any questions, please call 800-845-0787.
